the key ingredients are beneficial to

G-NiiB®

G-NiiB Immunity⁺

Microbiome Precision Formulation

Developed based on the world's first microbiome study on novel virus patients

Clinically proven its benefits and safety in the human body

Designed for Asians

3+3 Probiotics and Prebiotics Golden Ratio

Vibrant Probiotics and Patented Microencapsulation technology from Italy.

In accordance with Metagenomics and Asian Big Data

Carefully chosen **3** Vibrant Probiotics
from Italy - Bifidobacteria 

Precisely picked for Asian gut microbiome

3 + 3 Probiotics and Prebiotics Golden Ratio

Effectively balance Gut Microbiome, and Enhance bacteria viability

3 Bifidobacterium Probiotics Blend

Balances Intestinal Flora, Boosts Immunity and Promote other beneficial microbes growth^{#4}

3 Precise Prebiotics Blend

Provide the most suitable nutrition for bifidobacteria

^{#4} Faecalibacterium prausnitzii and Eubacterium rectale.

Patented Microencapsulation Technology from Italy^{#5}

Protect live probiotics against gastric acid
colonizing in the gut

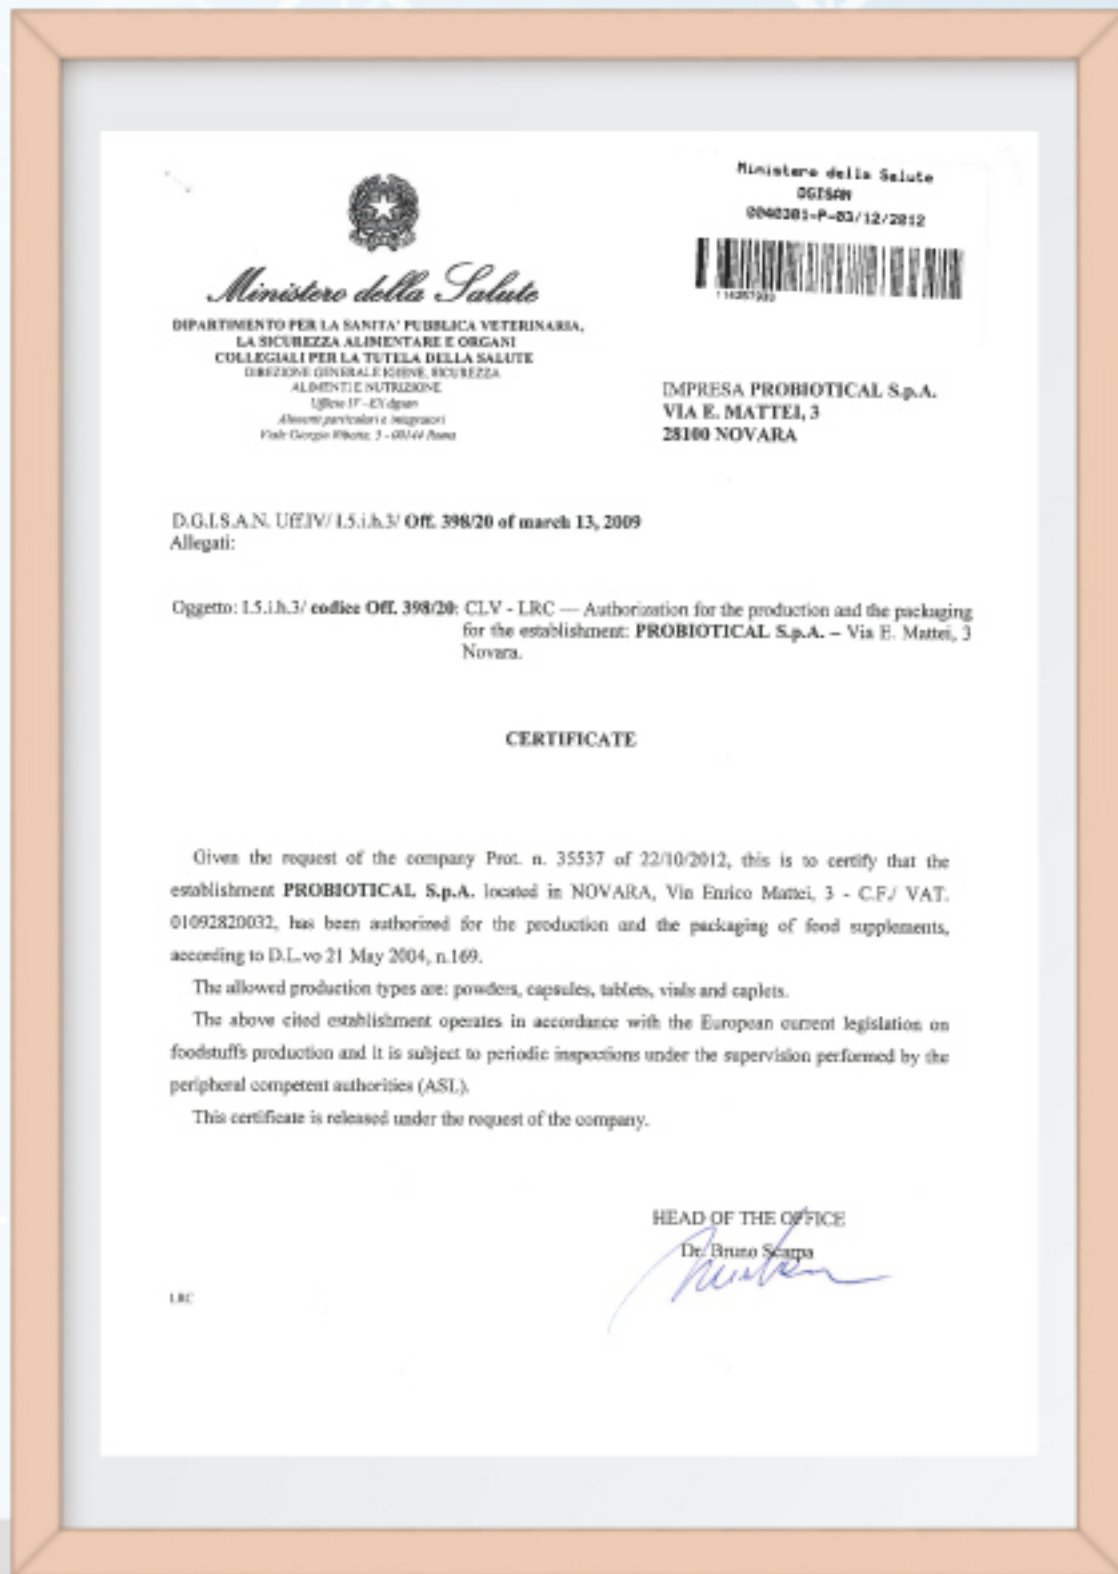

Survive in the acidic gastric environment

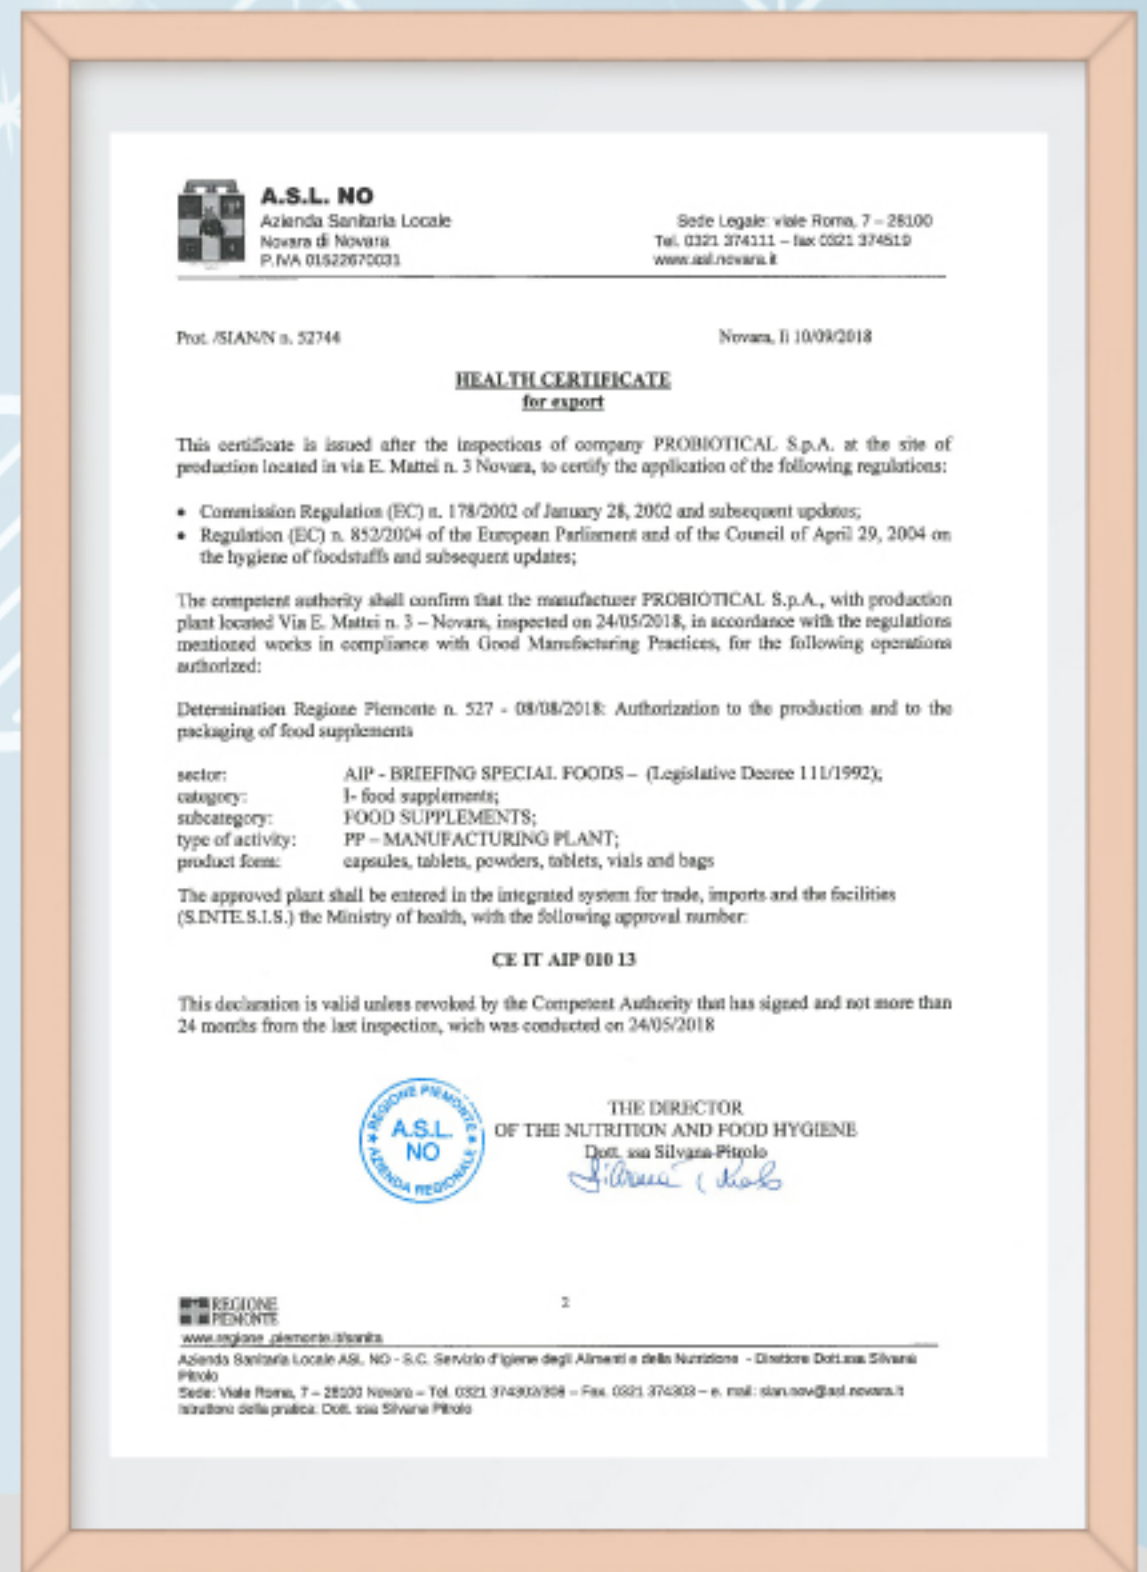

Probiotics reaches the intestine alive

Probiotics Survival Rate up to 250%+
